Art Unit: 1636

Attachment

Publication Branch has determined that the illustrations on pages 22 and 23 of the specification do not comply with 37 CFR 1.58(a). Applicants are required to delete the illustrations on pages 22-23 of the specification and supply said illustrations as drawings per 37 CFR 1.81. Applicants are also required to amend the specification to include brief descriptions of the new drawings and otherwise amend the specification to correspond to the new drawings. The application will not issue as a patent until the aforementioned changes are made.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David Guzo whose telephone number is (571) 272-0767. The examiner can normally be reached on Monday-Thursday from 8:00 AM to 5:30 PM. The examiner can also be reached on alternate Fridays.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Irem Yucel, can be reached on (571) 272-0781. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
